Each of the listed documents was cited in an Office Action (entitled "Decision of Refusal") issued on November 17, 2009 from the Japanese Patent Office in connection with corresponding Japanese application 2004-016820. A copy of that Office Action is also attached, as is an English translation thereof.

The Office Action indicates the degree of relevance found by the foreign office and makes consideration of any non-English art required. MPEP 609.04(a)III.

It is noted that the documents identified in the Office Action as References 1-4 were previously cited to the USPTO with the Information Disclosure Statement filed on November 16, 2009, and therefore are not again being cited on the attached form PTO-1449.

CONCLUSION

To the best of Applicants' knowledge, an Office Action on the merits has not yet been mailed. No fee is believed to be due in connection with this paper.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.
